ABOUT US

Pinnacle Agribusiness Co. Ltd was first conceived on 8th July 2019 as a digital information-based platform under the name of Golden Green Thumbs Africa established with the vision of promoting farming as a business by providing commodity market linkages to farmers while availing them with up-to-date information on market trends, opportunities, and latest agro-techniques. It was later rebranded, and introduced new services and products such as backyard gardening, seedling production, greenhouse construction, piggery and an agrobased consultancy firm. The firm operates as a partnership business.

So far, it is in the process of being legally incorporated and registered under the laws of the local government, and the Government of Uganda (GOU).

VISION STATEMENT

We exist to provide unmatched professional Agribusiness solutions for enhanced productivity and maximization of profits.

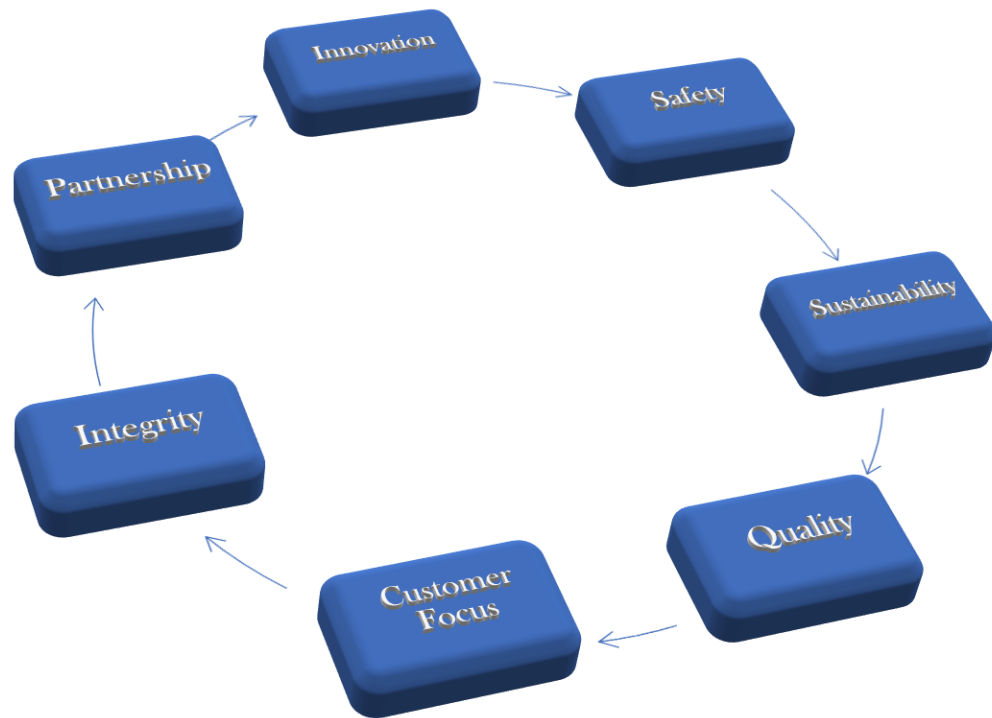

MISSION STATEMENT

To transform African agriculture by empowering farmers through market-driven solutions, innovative technologies, and comprehensive capacity building - delivering measurable improvements in productivity and profitability while promoting sustainable practices."

COMPANY OBJECTIVES

- ❖ **To encourage sustainable agriculture practices.**
- ❖ **To dominate the Agribusiness industry world over by expanding and reaching new markets with Agriculture as their main economic activity.**
- ❖ **To grow and increase the market share by selling at affordable prices.**
- ❖ **To consistently supply our target customers with the best premium products and services by recruiting experienced staff to tackle farmer's problems.**
- ❖ **To reduce hunger and poverty through increased productivity.**
- ❖ **Enhance farmer profitability through market-driven agricultural practices.**
- ❖ **To create job opportunities.**

CORE VALUES

❖ Innovation

We seek to promote innovation and technology by encouraging development of new and more efficient methods of crop, animal and other agricultural practices to increase productivity.

❖ Safety

At the heart of our business, we ensure safety of our consumers, employees and environment with focus on implementing best practices for workplace safety and environmental protection.

❖ Sustainability

KM Agri-Business firm values the ecosystem, therefore we aim at building sustainable and socially responsible practices in the way we do business for sustainable development.

❖ Quality

We pledge to meet high industry standards for product quality, safety and reliability.

Sustainable Solutions, Profitable Futures

❖ Customer focus

With the ever changing customer demands and behavior, we strive to provide excellent products and services to maintain strong business-customer relationships.

❖ Integrity

We are committed to cultivating a culture of transparency, accountability and responsible cooperate citizenship.

❖ Partnership

We aim at fostering long-term mutually beneficial relationships with farmers, growers and other supply chain partners to meet our goals and outcomes.
